

Dry Fast. Done Right.

COMPLETE SITE DRYING SOLUTIONS

HIGH-PERFORMANCE INDUSTRIAL DRYING EQUIPMENT HIRE

New Builds | Renovations | Water Damage Restoration

Industrial Dehumidifiers • Air Movers • Moisture Testing Equipment

AUCKLAND • CONSTRUCTION DRYING

DRY FORCE ADVANTAGES

Why Choose Dry Force?

01 Ambient-Temperature Drying

Helps reduce timber movement, wall cracking, nail pops and costly rework.

02 Safer On-Site

No open flames, no exhaust fumes and no high-temperature heating, reducing site risks and ventilation demands.

03 Automatic Drainage

Set the target humidity and run continuously with automatic drainage, reducing manual monitoring.

04 Flexible Setup, Fast Response

We match dehumidifiers and air movers to site conditions, with Auckland delivery arranged in as little as 2 hours.

Penrose Showroom & Store

View equipment, get expert advice or collect your hire.

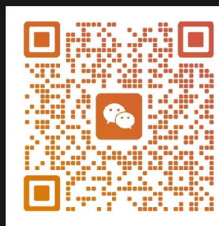

657A Great South Road
Penrose, Auckland

Professional Moisture Testing

Professional testing equipment provides real moisture readings for reference.
