

RECLAIM YOUR BACK YARD

We solve the frustration of constantly maintaining a traditional lawn while keeping it beautiful. Our approach keeps your yard usable year-round. Rain or shine.

We work with you to create a safe, enjoyable and long-lasting outdoor space for your home, your family and your pets.

Eco Lawn outshines traditional artificial turf and fake grass options with their natural appearance and feel.

Auckland

TRUST THE EXPERTS

MAXIMISE YOUR BACKYARD

No more mud, no mowing, no fuss.
No boggy sinkholes or endless watering
and seeding of bald dry patches.

Experience for yourself how Eco Lawn could
make your yard feel inexplicably larger.

Whether it's a golf green, basketball court,
tennis, football, hockey, or cricket pitch
— we will bring your vision to life.

HIGH QUALITY

We stand by our workmanship
and have a wide range of
products for both residential and
commercial application and
product warranties up to 15 years.

ENJOY VERSATILITY

More space for your family and pets to enjoy
the outdoors and say goodbye to those dirty
footprints always traipsed through the house.

Get more of your time back and get your kids
more time outside practising the sports they
love - day in and day out.
