FAQ

Do I need to pay the full price now?

Certainly not! Just a 30% deposit would be required to confirm the order with the remaining balance due when order becomes available

Do you have finance options?

We are a partner with Q Card. If you require interest free finance options or flexible payment plans, please contact us.

How do I measure my space?

Measure the maximum length and width of the space to be covered. For height, provide the highest point the pergola should reach from the ground. From here we can provide detailed drawings for you.

If you're not sure or have any questions, please reach out to our friendly team who can provide further guidance for you.

What is the production lead time?

Our production lead times vary throughout the year based on demand and the type of product. In stock products are delivered within 3-7 business days while bespoke products are typically delivered within 2-3 months from the date of confirmation.

How do I get my louvre installed?

All of our systems are designed for DIY installation.

We provide helpful install guides along with ongoing support to get your system installed. if you'd prefer leaving it to the professionals, let us know and we can help you arrange a professional installation.
