WHY CHOOSE MIKE GREER HOMES

Quite simply, we believe that we have more to offer from every angle.

We have extensive experience across the entire construction industry. With a large portfolio of homes already built throughout the country, we have the experience and scale to provide award winning quality and value.

Because we are independently owned and have operations throughout New Zealand, we have valued relationships with nationwide suppliers, which enables us to have the capability and commitment required to deliver a consistent product that stands the test of time in terms of both design and construction.

HEALTHY HOMES

All townhouse developments completed by the Mike Greer Group meet or exceed the standards set out in the Residential Tenancies (Healthy Homes Standards) Regulations 2019, ensuring quality, comfort, and compliance in every home we deliver.
