Balustrades

A glass balustrade is a modern and stylish safety barrier, providing strength and safety with unobstructed views. At **My Splash**, we offer a full range of balustrade options, tested and guaranteed, from framed, semi-frameless to fully-frameless systems to suit your design, specification and budget.

Glass balustrades are ideal for decks, pool fences, internal and external balconies, stairs and landings.

Glass Showers

Unlike off-the-shelf products, our custom frame-less glass showers and sliding doors are made to complement the look of your overall bathroom. Options include 45° and in-line showers, sliding glass doors and glass doors for baths.

Mirrors
